

## Be an Aspire Champion!

### Aspire Champions Rewards Program

Share your enthusiasm about and commitment to Aspire with others in the industry by becoming an Aspire Champion! You can earn rewards for introducing us to potential new clients. Like you, one of the ways we grow is “word of mouth” referrals from clients. Your “word” and referral are meaningful in two ways: (1) it’s just nice to know that our clients like what we do and are willing to share that with their peers, and (2) it helps us continue to grow the product. We would love your help and reward your referrals. The way it works is simple.

### How It Works

- 1) Contact Kevin Kehoe with your referral. We will conduct a needs assessment and demonstration to qualify – and let you know the status should the sales process advance.
- 2) Be available by phone or for a site visit to further demonstrate Aspire. Even if you were not the referral source, we often get requests to speak with our current clients. Please contact Kevin if you are willing to do this.
- 3) Aspire wins the referral within 12 months of your referral.

### How We Show Our Appreciation

We will credit one month of your subscription billing in the month after closing the referral.
